## Education

---

VIT Bhopal University, Bhopal, Madhya Pradesh	May 2026
BTech in Computer Science, Cumulative GPA: 8.38	
St. Mary's Inter College, Etawah, Uttar Pradesh	July 2022
12th Standard (CBSE), Percentage: 90.8%	
St. Mary's Inter College, Etawah, Uttar Pradesh	July 2020
10th Standard (CBSE), Percentage: 92.4%	

## Projects

---

### Job Board Platform

- Built a scalable job platform streamlining job applications for seekers and listing management for recruiters.
  - Engineered scalable APIs using **Node.js** and **Express.js**, with MongoDB as the primary database for job and user data.
  - Integrated authentication and role-based dashboards for both users and recruiters.
  - Utilized **React.js** and **Redux** for efficient frontend development and global state management.
  - Achieved performance optimization and responsiveness for 1000+ concurrent users.
- Technologies used:** React.js, Redux, Node.js, Express.js, MongoDB, REST APIs.

### Breast Cancer Detection App

- Designed a **Flutter-based** mobile app for AI-driven early breast cancer detection, improving diagnosis speed by **40%** and accessibility by **90%**.
  - Applied **Firebase** for real-time authentication and secure medical records.
  - Executed an **AI-driven diagnostic tool** with **85%+ accuracy**.
- Technologies used:** Flutter, Dart, Firebase, AI/ML.

### Heart Disease Prediction Model

- Created an advanced **AI-driven heart disease prediction from retinal image model** with deep learning, improving diagnostic accuracy by **20%**.
  - Applied **four ML models** including **VGG16, ResNet, and MobileNet** to enhance precision.
  - Combined **custom deep learning frameworks** with industry-standard architectures for **optimized performance**.
  - Trained the model on a real-world medical dataset, achieving **92% accuracy**.
- Technologies used:** AI, ML, Deep Learning, VGG16, ResNet, MobileNet.

## Additional Information

---

**Technical Skills:** Dart, C++, Java, Python, HTML, CSS, JavaScript, React, MERN Stack, Flutter Android Development, MySQL, MongoDB

**Soft Skills:** Communication, Collaboration, Quick Learning, Initiative, Creativity, Leadership, Empathy, Resilience.

**Languages:** Hindi, English

**Certifications:** Bit by Bytes (Coursera), Mastering Machine Learning with Python (RBPL), Comprehensive Data Science for Beginners (RBPL)
